Security Policy

Shack West P/L uses the Authorize.Net Payment Gateway and BWA Merchant Services for its online credit card transactions.

Authorize.Net processes online credit card transactions for thousands of Australian merchants, providing a safe and secure means of collecting payments via the Internet.

BWA Merchant Services provide payment processing services and EFTPOS solutions and are a world leader in electronic payment systems.

All online credit card transactions performed on this site using the Authorize.Net gateway and BWA Merchant Services are secured payments.

Payments are fully automated with an immediate response.

- Your credit card number cannot be viewed by Shack West P/L
- Your credit card number is not stored by Shack West P/L
- All transactions are performed under a 128 Bit SSL Certificate
- All transaction data is encrypted for storage within Authorize.Net's bank-grade data centre, further protecting your credit card details

All monies are directly transferred from your credit card to the merchant account held by Shack West P/L.

For more information about Authorize.Net and online credit card payments, please visit the Authorize.Net website: <http://www.authorize.net/en-ANZ/>
